About Us

Communities thrive when nonprofits succeed.

For more than 30 years, the National Council of Nonprofits has mobilized the nation’s largest sector-wide network of nonprofits to achieve transformative results. We provide nonprofits with the tools, research, and resources needed to operate more effectively, efficiently, and ethically.

In pursuit of a more civil and just society, we embed diversity, equity, and inclusion throughout our organization and the ways we carry out our mission, purposefully and tangibly applying these principles in our internal operations, programs, policies, and leadership.

Our collective efforts ensure a connected and powerful nonprofit community equipped to champion the public good.
