Budget Policy Issues

Budget and spending decisions by governments affect all Americans and these decisions can have immediate and serious consequences for the people nonprofits serve and the communities in which they operate.

Budget Policy Issues

State Budget and Spending

Budget and spending decisions by governments affect all inhabitants and these decisions can have immediate and significant consequences for the people nonprofits serve and the communities in which they operate.

[Read about Federal Charitable Giving Incentive](#)

Federal Charitable Giving Incentive

The federal charitable giving incentive was significantly reduced under the 2017 federal tax law because of the near doubling of the standard deduction, which results in a decline in the number of people who itemize.

[Read about State Charitable Giving Incentives](#)

State Charitable Giving Incentives

The tax laws in many states encourage individuals to give to charitable organizations whose missions they support by providing an itemized deduction or tax credit.

[Read about Mandatory Volunteerism](#)

Mandatory Volunteerism

Mandatory volunteerism is a mandate on an individual to volunteer, sometimes called “community engagement” or “community service,” with a nonprofit for a specific number of hours per week in order to be eligible for certain government benefits.

[Read about Taxpayer Bill of Rights \(TABOR\)](#)

Taxpayer Bill of Rights (TABOR)

A Taxpayer Bill of Rights (TABOR) measure is a state budget and tax-policy process that limits growth of state and local revenues to a restrictive formula.
